

MOUSSA DIALLO

Moussa Diallo is the National Coordinator of Tostan Mali.

He began working with Tostan in 2010 as a Development Support Supervisor. He then held the position of Assistant to the National Coordinator before being appointed Project Manager.

He is a lawyer and has extensive experience in the community-driven development approach, gained through many years of accompanying communities in Mali with Tostan.

His dream is to see a world in which human rights are the compass for sustainable development.
