

# YUSSUF SANÉ

**Yussuf Sané** is a Program Manager with experience in management of human rights education programs and models for sustainable community-led development programs. He is a WISE Emerging Leaders Fellow and FAF Friendship Ambassador. Yussuf holds an M.A. in International Studies from The University of Sheffield and a B.A. in International Relations and Security Studies from The University of Bradford Department of Peace Studies.

Yussuf is currently the National Coordinator of Tostan in Guinea-Bissau where he leads for Tostan's national strategy through of community empowerment partnerships with up 120 communities in one region of strategic concentration, facilitates strategic partnerships with regional government authorities and civil society organizations, and promotes learning and exchange opportunities with NGOs. Yussuf has previously worked with the Tostan Training Center, in Senegal from 2016-2018, for trainings with youth and religious leaders, NGOs, UN agencies, and USAID.

Prior to joining Tostan, Yussuf worked with the West Africa Civil Society Institute, in Ghana, where he supported the knowledge management and capacity development units to facilitate knowledge-sharing and enhance performance efficiency for civil society organizations in Africa.
